Activity under MOUS	
Activity Report	
Name of Activity	Certificate course in SAP and CYBER SECURITY
Title	Certificate course in SAP and CYBER SECURITY
Date	May, 08, 2023
Venue	St. Wilfred's College of Arts, Commerce & Science
Organized by	Department of Computer Science
Faculty Coordinator	Ms. Tapasya Patil
In collaboration with	Global IOT School
Resource Person	Mr. Neeraj
Enrolled Students	50
Event Summary	<p>A certificate course in SAP ERP and Cyber Security provides essential skills in two critical domains of modern business operations. Participants learn to implement and manage SAP ERP systems, gaining proficiency in modules like finance, HR, and supply chain. Simultaneously, the program equips them with cyber security fundamentals, covering threat detection, risk assessment, and data protection strategies. This dual focus ensures graduates are capable of not only optimizing business processes through SAP ERP but also safeguarding valuable digital assets from cyber threats. The course blends theoretical knowledge with practical applications, preparing professionals for diverse roles in IT and enterprise management.</p>

Activity Report	
Name of Activity	Vocational Training on ERP
Title	Vocational Training on ERP
Date	May, 25. 2023
Venue	St. Wilfred's College of Arts, Commerce & Science
Organized by	Department of Computer Science
Faculty Coordinator	Aparna Jaware More
In collaboration with	Technoriya technologies Pvt. Ltd
Resource Person	Ms. Eva deep Saxena
Enrolled Students	45
Event Summary	Vocational training on ERP equips individuals with practical skills to manage and optimize business processes using integrated software solutions. Participants learn to navigate ERP systems such as SAP or Oracle, gaining proficiency in modules like finance, procurement, manufacturing, and sales. The training emphasizes hands-on experience in configuring ERP software, generating reports, and troubleshooting common issues. By the end of the program, graduates are prepared to contribute effectively to organizational efficiency, streamline operations, and enhance decision-making capabilities. This vocational training is ideal for aspiring IT professionals, business analysts, and managers seeking specialized skills in ERP implementation and management

Activity Report	
Name of Activity	Research, Faculty and Student Exchange
Title	Research, Faculty and Student Exchange
Date	March, 28, 2023
Venue	St. Wilfred's College of Arts, Commerce & Science
Organized by	Department of Humanity
Faculty Coordinator	Dr. Nikita Mathur
In collaboration with	Chhatrapati Shivaji Maharaj University, Mumbai,
Resource Person	Dr. RP Sharma
Enrolled Students	55
Event Summary	Research, faculty, and student exchange programs play pivotal roles in fostering global collaboration and knowledge sharing among educational institutions worldwide. These initiatives facilitate the exchange of ideas, expertise, and cultural perspectives, enriching academic environments and advancing research frontiers. Faculty exchanges enable educators to engage in collaborative research projects, share teaching methodologies, and develop international networks. Similarly, student exchanges promote cross-cultural understanding, allowing students to broaden their academic horizons, gain international experience, and build lifelong connections. Such programs not only enhance academic excellence but also contribute to the development of a diverse and inclusive global community, preparing individuals to thrive in a interconnected world.

Activity under MOUS	
Activity Report	
Name of Activity	Promote Blood Donation Awareness in Youth
Title	Promote Blood Donation Awareness in Youth
Date	May, 12, 2023
Venue	St. Wilfred's College of Arts, Commerce & Science
Organized by	SDC
Faculty Coordinator	Dr. Anirudha Rishi
In collaboration with	Sai Blood Bank
Resource Person	Mr. Pankaj khandelwal
Enrolled Students	60
Event Summary	Promoting blood donation awareness among youth is crucial for ensuring a steady and reliable blood supply for those in need. Initiatives can include organizing educational campaigns in schools and colleges, emphasizing the importance of donating blood to save lives. Engaging youth through social media platforms and community events helps raise awareness about the impact of blood donation on healthcare and emergency situations. Partnering with youth organizations and clubs encourages participation in blood drives and donation events. By empowering youth with knowledge and opportunities to contribute, we cultivate a culture of compassion and responsibility towards supporting healthcare systems and saving lives through regular blood donations

Activity under MOUS	
Activity Report	
Name of Activity	Teacher Exchange Program
Title	Teacher Exchange Program
Date	February, 18, 2019
Venue	St. Wilfred's College of Arts, Commerce & Science
Organized by	SDC
Faculty Coordinator	Dr. Savita Agrawal
In collaboration with	Department of Botany ,MPSE College, Mumbai
Resource Person	Dr. R. Panwar
Enrolled Students	55
Event Summary	A teacher exchange program facilitates professional development and cultural exchange among educators from different countries. It allows teachers to immerse themselves in new educational practices, curriculum approaches, and teaching methodologies. Participants gain firsthand experience in diverse classroom environments, enhancing their teaching skills and cultural understanding. The program promotes collaboration between schools and institutions, fostering international partnerships and networking opportunities. By exchanging ideas and best practices, teachers bring innovative perspectives back to their home institutions, enriching the educational experience for students. Ultimately, teacher exchange programs contribute to global education reform and the cultivation of a more interconnected and culturally aware teaching community.

Activity under MOUS	
Activity Report	
Name of Activity	Regular Medical Checkup and Awareness
Title	Regular Medical Checkup and Awareness
Date	June 6, 2023
Venue	St. Wilfred's College of Arts, Commerce & Science
Organized by	SDC
Faculty Coordinator	Ramdas Damu Ruthe
In collaboration with	CSMH, Mumbai
Resource Person	Mr. Gaurav Fauzdar
Enrolled Students	65
Event Summary	Regular medical checkups and awareness campaigns are essential for maintaining optimal health and preventing diseases. Encouraging individuals to undergo routine checkups promotes early detection of health issues, allowing for timely intervention and treatment. Awareness campaigns educate communities about the importance of preventive healthcare practices, including healthy lifestyle choices and disease prevention strategies. By promoting regular medical checkups and raising awareness, we empower individuals to take charge of their health and well-being. This proactive approach not only reduces healthcare costs associated with late-stage treatments but also promotes a healthier population overall, enhancing quality of life and longevity.

Activity Report	
Name of Activity	Training and Placement Activity
Title	Training and Placement Activity
Date	May, 2023
Venue	St. Wilfred's College of Arts, Commerce & Science
Organized by	SDC
Faculty Coordinator	Dr. Madav Mathur
In collaboration with	DSP Realty
Resource Person	Ms. Sneh Lata Bhardwaj
Enrolled Students	50
Event Summary	Training and placement activities are integral to bridging the gap between education and employment; ensuring students are equipped with necessary skills for the workforce. These activities encompass skill development workshops, mock interviews; resume building sessions, and career counseling. They prepare students for job market demands, enhancing their employability and readiness for professional roles. Additionally, placement activities facilitate interactions between students and potential employers through recruitment drives, job fairs, and networking events. By aligning academic learning with industry requirements, training and placement activities empower students to secure suitable employment opportunities and embark on successful career paths, thereby fostering economic growth and fulfilling workforce needs.

Activity Report	
Name of Activity	Industrial Training and Projects
Title	Industrial Training and Projects
Date	July, 25, 2023
Venue	St. Wilfred's College of Arts, Commerce & Science
Organized by	Department of Commerce
Faculty Coordinator	Dr. Mohan Galande
In collaboration with	Digital Connex
Resource Person	Mr. Sudhir Verma
Enrolled Students	55
Event Summary	Industrial training and projects are pivotal components of education that provide students with practical experience and exposure to real-world challenges within specific industries. These initiatives typically involve internships, apprenticeships, or project-based learning opportunities in collaboration with companies or organizations. They aim to bridge the gap between theoretical knowledge and practical application, allowing students to apply classroom learning in real-life settings. Industrial training and projects help students develop technical skills, problem-solving abilities, and professional competencies relevant to their field of study. Furthermore, they enhance students' employability by providing hands-on experience and industry insights, preparing them for successful transitions into the workforce upon graduation

Title	Undertaking Students Skill/ UP skilling Program
Date	June, 23, 2023
Venue	St. Wilfred's College of Arts, Commerce & Science
Organized by	SDC
Faculty Coordinator	Dr. Neeta Briary
In collaboration with	INIFD, Panvel
Resource Person	Dr. Ruchi Sharma
Enrolled Students	65
Event Summary	Undertaking student skill/up skilling programs are crucial initiatives aimed at enhancing students' competencies and preparing them for future career challenges. These programs focus on developing both technical and soft skills that are essential in today's competitive job market. They often include workshops, seminars, and practical training sessions tailored to industry demands and emerging trends. By equipping students with relevant skills such as communication, critical thinking, and technical proficiency, these programs enhance their employability and readiness for diverse roles. Moreover, up skilling initiatives empower students to adapt to technological advancements and industry changes, ensuring they remain competitive and capable of contributing effectively in their chosen fields upon graduation.

Activity Report	
Name of Activity	Supply Chain Management and Food Management
Title	Supply Chain Management and Food Management
Date	January, 25 2023
Venue	St. Wilfred's College of Arts, Commerce & Science
Organized by	Department of Commerce
Faculty Coordinator	Mr. Vijay Saharam Singh
In collaboration with	Sri Pati Foods
Resource Person	Shisha Singh
Enrolled Students	60
Event Summary	Supply chain management in food management involves the efficient planning, procurement, production, distribution, and storage of food products to ensure freshness, safety, and sustainability throughout the supply chain. Educational activities in this field focus on: Supply Chain Optimization: Teaching principles and strategies to streamline operations, reduce costs, and minimize waste in food production and distribution. Food Safety and Quality Assurance: Training on regulatory requirements, hygiene standards, and quality control measures to ensure food safety from farm to table. Technology Integration: Exploring the use of technologies like block chain for traceability, IoT for monitoring, and AI for predictive analytics to enhance efficiency and transparency in food management. By integrating these educational activities, students gain the knowledge and skills necessary to address complex challenges in food supply chains, ensuring the delivery of safe, high-quality food products to consumers while promoting sustainability and resilience in the industry.

Name of Activity	Extension and Social Outreach Activities
Title	Extension and Social Outreach Activities
Date	July 18, 2021
Venue	St. Wilfred's College of Arts, Commerce & Science
Organized by	SDC
Faculty Coordinator	Dr. Ketan Patil
In collaboration with	Society For Environment And Sustainable Development (SESD) Jaipur
Resource Person	Mr. Sudhir Verma
Enrolled Students	55
Event Summary	Extension and social outreach activities are essential components of educational institutions' commitment to community engagement and societal impact. These initiatives aim to bridge the gap between academia and the broader community by offering educational, cultural, and developmental programs. They include workshops, seminars, and training sessions tailored to address local needs, promote health awareness, and foster sustainable practices. Through these activities, institutions cultivate partnerships with local stakeholders, NGOs, and government agencies to address social issues collaboratively. By empowering individuals and communities through education and outreach, institutions contribute to societal development, equity, and wellbeing, ultimately fostering a more inclusive and resilient society.

Activity Report

Name of Activity	Mini Projects and Main Project work, Arts, culture
Title	Mini Projects and Main Project work, Arts, culture
Date	April 27, 2022
Venue	St. Wilfred's College of Arts, Commerce & Science
Organized by	Department of Arts
Faculty Coordinator	Dr. Sashi Kanta
In collaboration with	Animal, Environment, Forests, Health & Family welfare
Resource Person	Mr. Nitish
Enrolled Students	50
Event Summary	Activities in animal welfare, environment conservation, forests, health, and family welfare play pivotal roles in sustainable development and community well-being. These initiatives include: Animal Welfare: Rescue, rehabilitation, and adoption programs for animals, along with awareness campaigns on humane treatment and responsible pet ownership. Environment Conservation: Initiatives focusing on biodiversity conservation, reforestation, waste management, and promoting sustainable practices to mitigate climate change. Forests: Conservation efforts to protect forests, wildlife habitats, and indigenous flora and fauna, alongside promoting eco-tourism and sustainable forestry practices. Health: Programs addressing public health issues such as immunization drives, disease prevention, maternal and child health care, and access to healthcare services. Family Welfare: Education and support programs promoting reproductive health, gender equality, family planning, and child development initiatives. These integrated activities aim to enhance environmental sustainability, improve community health outcomes, and foster harmonious relationships between humans, animals, and nature for a resilient and equitable society.

Activity Report

Name of Activity	Environmental Conservation and Sustainable development
Title	Environmental Conservation and Sustainable development
Date	August 01, 2021
Venue	St. Wilfred's College of Arts, Commerce & Science
Organized by	SDC
Faculty Coordinator	Ms. Anjali Patil
In collaboration with	We Sepa Foundation
Resource Person	Mrs. Geeta Bhaskar
Enrolled Students	50
Event Summary	Environmental conservation and sustainable development are intertwined efforts aimed at preserving natural resources and ecosystems while promoting economic growth and social well-being. These initiatives include: Biodiversity Protection: Conservation strategies to safeguard endangered species and habitats from human activities and climate change. Resource Management: Sustainable practices in agriculture, forestry, water management, and energy production to minimize environmental impact. Climate Action: Mitigation and adaptation measures to address climate change through renewable energy adoption, carbon footprint reduction, and resilience building. Community Engagement: Involving local communities in conservation efforts, promoting eco-friendly lifestyles, and empowering sustainable practices. Policy Advocacy: Influencing policies and regulations to prioritize environmental protection and sustainable development goals for future generations. By prioritizing environmental conservation and sustainable development, societies can achieve a balance between ecological integrity, economic prosperity, and social equity, ensuring a sustainable future for all.

Activity Report	
Name of Activity	Biodiversity and Conservation
Title	Biodiversity and Conservation
Date	May 25, 2023
Venue	St. Wilfred's College of Arts, Commerce & Science
Organized by	SDC
Faculty Coordinator	Dr. Anirudha Rishi
In collaboration with	Animal, Environment, Forests, Health & Family welfare
Resource Person	Mr. Nitish
Enrolled Students	55
Event Summary	<p>Biodiversity conservation is essential for maintaining ecological balance and sustaining ecosystems that support life on Earth. Conservation efforts focus on: Habitat Protection: Preserving natural habitats like forests, wetlands, and coral reefs to safeguard biodiversity and provide essential ecosystem services. Species Preservation: Implementing measures to protect endangered species from extinction through breeding programs, habitat restoration, and legal protections. Sustainable Practices: Promoting sustainable agriculture, forestry, fisheries, and wildlife management to reduce habitat destruction and overexploitation. Awareness and Education: Educating communities and stakeholders about the importance of biodiversity, threats it faces, and actions individuals can take to conserve it. By prioritizing biodiversity conservation, societies can ensure the resilience of ecosystems, protect natural resources, and maintain biodiversity for future generations.</p>
