## **Discussion on last year's results:**

The Principal initiated a discussion on the previous year's results to analyze and assess the academic performance of students. Faculty members were encouraged to provide insights and identify areas for improvement, both at the individual student level and within specific courses. This discussion aimed to identify strategies and interventions to enhance student outcomes in the future.

## **Framing of academic planner:**

The Principal emphasized the importance of a well-structured academic planner to ensure smooth functioning of the institution. It was proposed to frame an academic planner that includes key academic events, examination schedules, assignment deadlines, and other important dates. The faculty members were requested to collaborate and contribute to the development of the academic planner.

## **Faculty Development Program (FDP) for faculty development:**

Recognizing the significance of faculty development, the Principal proposed organizing a Faculty Development Program (FDP). The FDP will provide opportunities for faculty members to enhance their teaching skills, explore innovative pedagogical approaches, and stay updated with the latest developments in their respective fields. The specific topics and duration of the FDP will be determined in consultation with the concerned faculty members.

## **Discuss admission policies and syllabus of value-added courses:**

The Principal called for a discussion on admission policies, specifically focusing on ensuring transparency and fairness in the admission process. Additionally, the syllabus of value-added courses, designed to provide additional skills and knowledge to students, was brought forward for review and refinement. Faculty members were encouraged to contribute their suggestions and insights to improve the admission policies and syllabus.

## **Discussion of teaching methodology and incorporating new teaching methods:**

The Principal emphasized the need to continuously evolve teaching methodologies to enhance the learning experience of students. Faculty members were encouraged to share innovative teaching methods and techniques that have proven effective in their respective domains. It was proposed to incorporate new teaching methods into the curriculum to promote student engagement, critical thinking, and active learning.

## **Promotion of teachers' participation in conferences and seminars:**

To foster professional growth and keep up with the latest developments in their fields, the Principal highlighted the importance of teachers' participation in conferences and seminars. Faculty members were encouraged to attend and present papers at relevant academic events to exchange knowledge, gain exposure, and establish collaborations with professionals from other institutions.
