members responsible for each course were assigned the task of collaborating and finalizing the time table in consultation with the Principal.

#### Discussion on last year's results:

The Principal initiated a discussion on the previous year's results to analyze and assess the academic performance of students. Faculty members were encouraged to provide insights and identify areas for improvement, both at the individual student level and within specific courses. This discussion aimed to identify strategies and interventions to enhance student outcomes in the future.

#### Framing of academic planner:

The Principal emphasized the importance of a well-structured academic planner to ensure smooth functioning of the institution. It was proposed to frame an academic planner that includes key academic events, examination schedules, assignment deadlines, and other important dates. The faculty members were requested to collaborate and contribute to the development of the academic planner.

#### Faculty Development Program (FDP) for faculty development:

Recognizing the significance of faculty development, the Principal proposed organizing a Faculty Development Program (FDP). The FDP will provide opportunities for faculty members to enhance their teaching skills, explore innovative pedagogical approaches, and stay updated with the latest developments in their respective fields. The specific topics and duration of the FDP will be determined in consultation with the concerned faculty members.

#### Discuss admission policies and syllabus of value-added courses:

The Principal called for a discussion on admission policies, specifically focusing on ensuring transparency and fairness in the admission process. Additionally, the syllabus of value-added courses, designed to provide additional skills and knowledge to students, was brought forward for review and refinement. Faculty members were encouraged to contribute their suggestions and insights to improve the admission policies and syllabus.

#### Discussion of teaching methodology and incorporating new teaching methods:

The Principal emphasized the need to continuously evolve teaching methodologies to enhance the learning experience of students. Faculty members were encouraged to share innovative teaching methods and techniques that have proven effective in their respective domains. It was proposed to incorporate new teaching methods into the curriculum to promote student engagement, critical thinking, and active learning.

#### Promotion of teachers' participation in conferences and seminars:

To foster professional growth and keep up with the latest developments in their fields, the Principal highlighted the importance of teachers' participation in conferences and seminars. Faculty members were encouraged to attend and present papers at relevant academic events to exchange knowledge, gain exposure and establish collaborations with professionals from other institutions.

The Principal proposed organizing guest lectures by experts and professionals in each department to enrich students' learning experience. These guest lectures would provide students with valuable insights, industry perspectives, and practical applications of their academic knowledge. Furthermore, the Principal emphasized the importance of promoting student development by encouraging them to organize maximum activities under the guidance of the Student Development Cell.

#### **Action Items:**

Faculty members responsible for UG and PG courses will collaborate to frame a comprehensive time table.

Faculty members will analyze and provide insights on the previous year's results, identifying areas for improvement.

Faculty members will collaborate to develop an academic planner, incorporating key academic events and deadlines.

The administration will organize a Faculty Development Program (FDP) for faculty members, focusing on their professional growth.

The admission policies and syllabus of value-added courses will be reviewed and refined based on faculty members' suggestions.

Faculty members will explore and incorporate new teaching methodologies into the curriculum.

Faculty members will be encouraged to participate in conferences and seminars relevant to their areas of expertise.

The administration will organize department-wise guest lectures, inviting experts and professionals to share their knowledge.

The Student Development Cell will work with students to plan and organize a maximum number of activities to promote their holistic development.

These action items will be followed up on in subsequent meetings to track progress and ensure the successful implementation of the proposed agendas.

#### **Closing:**

Principal expressed gratitude to the staff members for their active participation and valuable input during the meeting. It was emphasized that their collaboration and dedication are essential in implementing the discussed agendas successfully. The staff members were encouraged to further develop and refine these proposals and work collectively towards the holistic development of the students.

The meeting concluded at 01.00 PM. The next meeting will be scheduled and communicated to the committee members accordingly.
